JUNE 2020

What's the latest news?

There's a new go-live date for Workday Financials: July 1, 2022. [Read more here.](#)

Using the blueprints we developed from the Architect sessions, we're constructing configuration workbooks for the first version of UVA's Workday Financials tenant. After that comes at least two rounds of testing with our end users. [Read more on the blog.](#)

The first RAPID decision was made: We chose Workday Expenses after collecting your input. [Read more about the decision here.](#)

What should I share with my teams?

If nothing else, make sure to share the new go-live date; people will be glad to know we aren't planning on flipping the switch in the middle of a fiscal year.

[We've put together some email text you can use to share with your teams here \(of course, feel free to adjust as you see fit\).](#)

We're happy to help you and your teams however we can, [so don't hesitate to reach out!](#)
