What's the latest news?

Budgeting Update: Schools and units are [revising FY21 budgets using Workday Adaptive Planning](#) (formerly known as Adaptive Insights—you'll probably hear it referred to by either name for a while).

What happens next? During the [configuration and prototype period](#) this fall, we'll build the first prototype of UVA's instance of Workday (our tenant) so end-users can validate it (and then we'll do it all over again!).

Decision Log: Keep up with the [FST decisions](#) that have been made so far.

What should I share with my teams?

Let them know that the [FST webpage](#) is a great one-stop-shop for the latest info—we're constantly updating the FAQs, Workday Words, and other helpful resources. It's not helpful unless it answers YOUR questions, so please let us know what we should add!

We've put together some email text on the [Advisory Group Resource page](#) that you can use to share with your teams (of course, always feel free to adjust as you see fit).

Helpful Resources on the FST Webpage:

- Updated [Workday Words](#) dictionary: Please share your words to be defined; we are adding to this constantly!
- How are FST decisions made, and who makes them?
 - [Project governance](#)
 - [Decision-making structure](#)
 - [Decision log](#)
- Who's who and does what on the FST project team?
 - [Team structure](#)
 - [About the team](#)
- We're answering questions! Check out our continually updated [FAQ page](#), where we're working to get the most up-to-date answers to you and your team's questions (send us more!)
