COMMUNICATIONS

September 2020

What's the latest news?

Foundation Data Model (FDM): FDM milestones have been updated to reflect the 12-month project extension. FDM activities that will occur during Configure and Prototype phase, this fall into spring, have been outlined. [See specifics in this FDM blog post.](#)

Budgeting with Adaptive Planning: Users provided feedback about using Adaptive for the FY21 budget recast. The Adaptive Budget Focus Group launched 9/2 to engage stakeholders in preparation for using Adaptive for FY22 planning. [Get more Adaptive info.](#)

Spend Focus Group: The group met on 9/1; the agenda included an overview of the Spend workstream and the group's vision, goals, and principles. See the Sept. Fiscal Administrators meeting slides to find your area's rep in the group. [Read more about the Spend focus group.](#)

Other updates

[FST Workstreams](#), [Leadership Interviews](#), [System Remediation](#), and [Decision Log](#)

Workday Word of the Month: **Internal Service Provider**

An ISP is a UVA department/unit that provides services to internal customers such as faculty, staff, students, and other departments.

Learn more [Workday Words](#) here, and please share your suggestions [by commenting on the community post here](#) or emailing them to financetransformation@virginia.edu. Join the conversation!

FST Website

The [FST website](#) is undergoing lots of changes and additions, so continue to look there to see what's new. For example, via the "Key Activities" menu, users can click on each of the workstreams to learn about current activities and get an overview of what work falls within each stream. The [Decision Log](#), [Workday Words](#), and [FAQs](#) are frequently updated, so check those out.

WFST

Multitaskers rejoice! [Listen to our biweekly FST update.](#)

Stay in Touch

We're happy to help you and your teams however we can, [so reach out!](#)
