UVA Travel Registry: Important Info for International Travel

On June 16, UVA lifted international travel restrictions. Registration on the [UVA Travel Registry](#) is required on all UVA-related international travel with the intention of keeping University travelers safe in the case of an emergency. Registration automatically enrolls travelers in CISI travel insurance.

Travelers should consider making it a practice to register as soon as travel is booked. Expenses will not be reimbursed or funded if employees are not registered. Save the date for a Return to Travel webinar on Aug. 5 at 2 p.m. More info coming soon.
